

Year 1 Autumn - History - How have journeys changed through time?

Glossary:

- Past: An event or events that have already happened.
- Present day: An event or events happening now.
- Chronology: The arrangements of events or dates in the order of their occurrence.
- Historian: A person who studies and writes about the past.
- Primary source: is an artifact, document, diary, manuscript, autobiography, recording, or any other source of information that was created at the time.
- Secondary source: Is a source created by someone who did not experience first-hand. These can be books and articles.
- Transport: Take or carry from one place to another by means of a vehicle, aircraft, or ship.
- Artefacts: Something made by people rather than natural objects.
- Climate change: A change in global or regional climate patterns.
- Environment: The surrounding in which a person, animal or plant lives.

Changes over time

Steam train

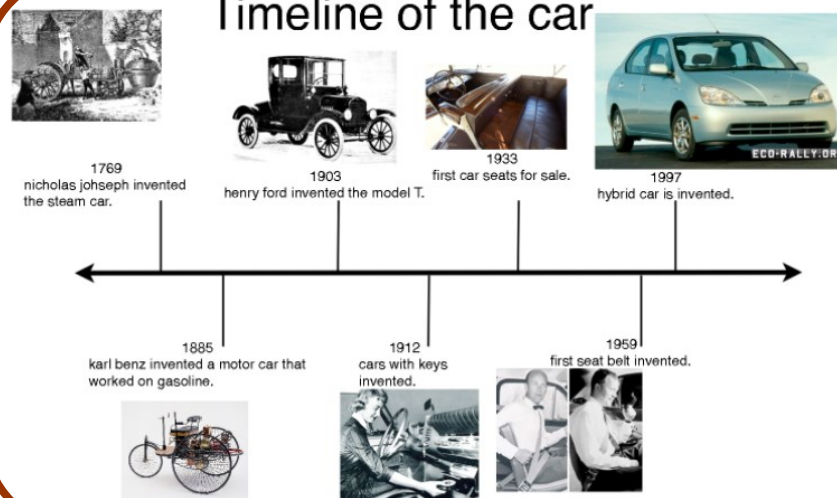

Diesel Train

Electric train

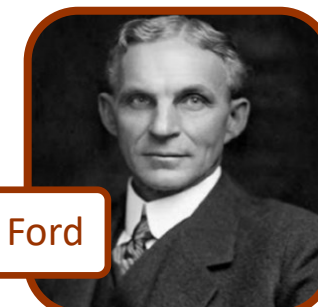

Timeline of the car

Elon Musk

Car Inventors

Henry Ford

Sticky Knowledge:

- To know how changes in transport have changed our local area.
- To know how cars have changed over time.
- To know who Henry Ford is and his impact on making cars affordable.
- To know who Elon Musk is and the impact he has had on making electric cars more affordable.
