

Focus of Meeting	Key Points
	<p><b>Whats going well?</b></p> <p><b>Even better if?</b></p> <p><b>How could we carry this approach to learning forward when we re-establish schools?</b></p> <p>The subject matter for this meeting was decided during Autumn Term 2020 (before we knew that we would be back in a National Lockdown at this time)</p> <p>No Parents attended this meeting, this could be partly because in the last week we have completed a parental survey in regards to Remote Learning and Blended Learning. This, on the whole, had a very positive response regarding pitch, amount and engagement. In response to the questionnaire, we have adjusted our remote offer by including</p> <ul style="list-style-type: none"> <li>• 1:1 reading session with Year 1 Children weekly</li> <li>• A greater emphasis on social sessions for mental wellbeing</li> <li>• Purchasing the Oxford Owl Library subscription to enable all children to access a variety of age appropriate books digitally.</li> <li>• Continuing our staff CPD in regards to Seesaw to ensure a slick approach to all lessons and the finer practicalities around live sessions – Muting, a fair approach, responses to work set etc.</li> </ul>

Next Meeting date \_\_\_\_\_12<sup>th</sup> March 2021\_\_\_\_\_
