## Glossary:

- **Sculpture**- A sculpture is a 3 dimensional piece of art. Materials can be carved, moulded, layered, shaped or combined.
- **Layer**- Layering is a gradual build-up of materials being placed on top of each other. The layers can be different sizes so that a shape is made.
- **3D** – A 3D shape has three dimensions, so it is not flat.
- **Join materials**- These are materials that can be used to attach one material to another, such as butterfly pins, sellotape, masking tape, blue tack or glue).
