Wraparound Care: Breakfast & After School Club – New Prices (2026–2027)

Dear Parents and Carers,

Thank you for continuing to use our wraparound care services. We're proud to provide a supportive, flexible service that is clearly valued by so many of our families.

To ensure we can continue offering a high-quality provision, we will be making some changes to our pricing for the 2026–2027 academic year. These adjustments are necessary due to rising costs in food, staffing, and energy. While we've done our best to keep prices as low as possible, the changes will help us maintain the standards and care your children deserve.

We would also like to highlight that our revised pricing structure offers even greater value for families using our 6pm wraparound provision, with a lower hourly rate than the 4pm or 5pm.

To support healthy habits and wellbeing, our wrap around provision will also be focusing on lower-sugar snack options, including offering fresh fruit. The menu is at the end of this letter.

You'll also find the updated pricing table for 2026–2027 below. The price increase will take effect from the 3rd of September 2026.

As always, we are grateful for your support.
